LORD'S PRAYER

Our Father who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. For thine is the kingdom and the power and the glory forever and ever. Amen.

“Yes Indeed!”

Words and music by Sy Oliver

Yes indeed, yes indeed, I've got that feeling in me, yes indeed.

Verse 1 (two times)

You will shout when it hits you, yes indeed.

Yes, you'll shout when it hits you, yes indeed.

When that spirit moves you, you will shout,
“Hallelujah!”

When it hits you, you'll holla, “Yes indeed.”

Verse 2

It comes out if it's in you, yes indeed.

It makes you shout, *yes*, it sends you, yes indeed.

When that *church* starts jumpin', you'll shout, “Let me in there.”

When it hits you, you'll holla, “Yes indeed.”

Let Us Put On the Clothes of Christ

Words and music by Bret Hesla

Refrain

Let us put on the clothes of Christ and live as equals
with ev'ryone.

Let us put on the clothes of Christ and reunite the
fam'ly of God.

1. Jew and Greek will live side by side
2. All the captives will be set free
3. Men and women will live as one
4. Let us rise up completely new

**with the garments
of justice on.**

Ev'ry door will be open wide
Discrimination will cease to be
Equal priv'lege for everyone
Living fully in Christ we'll bloom

**in that sweet and
delightful dawn.**

Hate and fear will not come between,
To the poor we will bring good news,
Domination will fin'lly end,
Like the threads of a tapestry,

**oh, let us unite
in love.**

We'll celebrate our diversity
Our faith will travel beyond the pews
The pains of history we will mend
And weave a joyful community

**as we welcome
the reign of God.
(to Refrain)**

New Beginning

Words and music by Kristine Brock

Every morning I rise is a new beginning
My hearts so happy for the care you're giving
I sing to you with peace and Thanksgiving
Oh you know it's true

You tell me you love me it's a new beginning

Life is a journey of dark days and light
Believing in you makes things alright
Your words are sacred burnt on the page
The message it tells that Jesus will save

Every morning I rise is a new beginning
My hearts so happy for the care you're giving
I sing to you with peace and Thanksgiving
Oh you know it's true

You tell me you love me it's a new beginning

When things go wrong I don't understand
I trust in you Lord you take my hand
Your truth is revealed it goes in my heart
I lean on you God Were never apart.

Each day I live is a new beginning
My hearts so happy its brightly singing
It calls for you forever ringing
Oh you know it's true

Your promise of love it's a new beginning

Each day I live is a new beginning
My hearts so happy its brightly signing
It calls for you forever ringing
Oh you know it's true

Your promise of love it's a new beginning

Higher

Words and music by Scott A. Stapp, Mark Tremonti

When dreaming I'm guided to another world
Time and time again
At sunrise I fight to stay asleep
'Cause I don't want to leave the comfort of this place
'Cause there's a hunger, a longing to escape
From the life I live when I'm awake
So let's go there Let's make our escape
Come on, let's go there Let's ask can we stay?
Can you take me Higher? To a place where blind men see
Can you take me Higher? To a place with golden streets
Although I would like our world to change
It helps me to appreciate
Those nights and those dreams
But, my friend, I'd sacrifice all those nights
If I could make the Earth and my dreams the same
The only difference is To let love replace all our hate
So let's go there Let's make our escape
Come on, let's go there Let's ask can we stay?
Can you take me Higher? To a place where blind men see
Can you take me Higher? To a place with golden streets
So let's go there, let's go there, Come on, let's go there
Let's ask can we stay?
Up high I feel like I'm alive for the very first time
Set up high I'm strong enough to take these dreams
And make them mine
Set up high I'm strong enough to take these dreams
And make them mine
[2X]
Can you take me Higher? To a place where blind men see
Can you take me Higher? To a place with golden streets

Oceans

Words and music by Hillsong United

You call me out upon the waters
The great unknown where feet may fail
And there I find You in the mystery
In oceans deep My faith will stand

And I will call upon Your name
And keep my eyes above the waves
When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine

Your grace abounds in deepest waters
Your sovereign hand Will be my guide
Where feet may fail and fear surrounds me
You've never failed and You won't start now

So I will call upon Your name
And keep my eyes above the waves When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine

[4x]

Spirit lead me where my trust is without borders
Let me walk upon the waters Wherever You would call
me

Take me deeper than my feet could ever wander
And my faith will be made stronger
In the presence of my Savior

So I will call upon Your name
And keep my eyes above the waves When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine

A Dazzling Bouquet

Words and music by Bret Hesla

Refrain

Mine is the church where ev'rybody's welcome.
I know it's true 'cause I got through the door.
We are a dazzling bouquet of ev'ry kind of flower.
Jump in the vase, 'cause we've got space for more.

1. Come here, all you six-foot gladiolas;
Come, all you purple lilacs shining bright.
Come, let us all bloom together in the garden:
A carnival of fragrance and delight. Refrain
2. We don't simply tolerate each other;
We ask and tell; we don't just turn away.
We give attention to ev'ry bud and blossom.
Let ev'ry face come grace the grand bouquet.

Refrain

Thrive

Words and music by Casting Crowns

Chorus sings: Oh....

Verse 1: Here in this worn and weary land
Where many a dream has died
Like a tree planted by the water
We never will run dry

Pre-chorus: So living water flowing through
God we thirst for more of You
Fill our hearts and flood our souls
With one desire

Chorus: Just to know You and
To make You known
We lift Your name on High
Shine like the sun made darkness run and hide
We know we were made for so much more
Than ordinary lives
It's time for us to more than just survive
We were made to thrive

Chorus sings: Oh...

Verse 2: Into Your word we're digging deep
To know our Father's heart
Into the world we're reaching out
To show them who You are

[Pre-chorus]

[Chorus]

Bridge: (4x) Joy Unspeakable, Faith Unsinkable, Love
Unstoppable, Anything is possible

[Chorus]:

Chorus sings: (2x) Oh...
We were made to thrive!
